Notes Required

Within three (3) days of students' return to school, they shall present notes signed by their parents/guardians or medial professional to designated school personnel. If notes are not received within three (3) days, the absence shall be deemed unexcused.

Make-up Work

It is the students' or parents' responsibility to contact the school for make-up work. Students shall be allowed the same number of days to complete make-up work, as they were absent, plus one (1).

...

If a student is excusably absent for only one (1) day, he or she may secure a make-up assignment when he or she returns to school. (Parents who feel they have special circumstances may request assignments on the first day of absence.)

If a student is excusably absent for more than one (1) day and there is a desire to secure make-up assignments before the student returns to school, a request for assignments may be made by calling the Principal's office or the counseling office within one (1) hour of the beginning of the school day on the day the student's parents wish to pick up the assignments. Personnel will endeavor to have the assignments available for pick up by the end of the school day."
